

DEXTER BUILDERS

Whole House Remodel

5

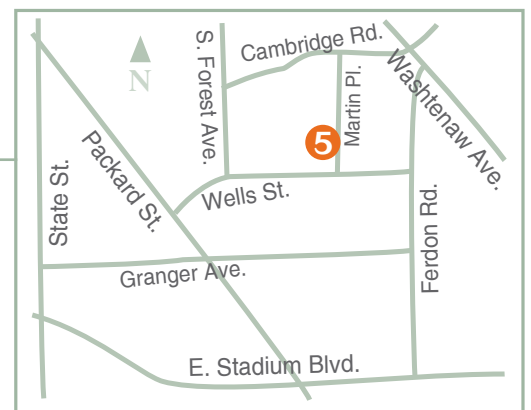

CJ South Photography

1132 Martin Place, Ann Arbor

Our customers recently moved to Ann Arbor and purchased this Burns Park home to raise their family. When we first met with them the house was dated with lots of small rooms and lacked a master suite. Our design team put together a plan that opened the floorplan on the main floor and added a second floor Master Suite Addition and laundry.

About Dexter Builders

Dexter Builders has built itself around the principles of hard-work, friendliness and attentiveness. It is our goal on every project to listen to the customers' concerns, give straightforward and knowledgeable assistance to develop a scope of work that's right for the homeowner and make our projects as pain free as possible, both on the homeowner and their budget. Run by four partners and supported by a strong team of professionals, Dexter Builders has a diverse background that allows us to work on all kinds of projects with knowledge and experience.

From the east: From Washtenaw Ave., turn onto Cambridge and head west. Turn left onto Martin Place. The home is on the right.

From the west: From Packard turn onto Wells St. and head east. Turn left onto Martin Place. The home is on the left.
