RE: 2020 Show Cancelled

Due to the current COVID-19 crisis, it has been decided by the Builders & Remodelers Association Board of Directors that the 2020 Home, Garden & Lifestyle Show rescheduled for June 6 & 7, 2020 will be cancelled for this year.

You have two options with regards to your booth fees paid to BRAG Ann Arbor. Please select your preferred option and return to us no later than May 31, 2020. If no response is received by this date we will move your booth fees to the 2021 show. No refunds will be given after May 31st. You may fax to 734.996.1008 or email to [asalemi@bragannarbor.com](mailto:asalemi@bragannarbor.com).

- Please retain my booth from the 2020 HGSL and transfer my fees and location to the 2021 HGSL scheduled for March 20 & 21, 2021. No additional booth fees will be due for 2021.
- Please refund my booth fees and release my booth location from the 2020 HGSL.

Please note that refunds and transfers pertain to booth fees only. Advertising costs will not be refunded or transferred as the book was published and distributed in March, 2020. You may elect to purchase advertising for the 2021 show towards the end of this year.

If you elect to receive a refund for this year's show, you may still exhibit in the 2021 show however you may not be able to retain the same space if it is sold to another exhibitor.
