

M/I Homes: Green Oak Crossing

1

Green Oak Crossing in Brighton, MI is an easy drive to Ann Arbor, and is surrounded by lakes, woodlands, and is in close proximity to the state's best parks for outdoor activities and relaxing days. The community's Findlay model home is situated on a picturesque street with pond and wooded views, that continue throughout the streets of Green Oak Crossing. The community has a variety of quick move-in homes available now with varying ranch and 2-story floorplans.

ABOUT THE FINDLAY

- 2,319 square feet, 4 bedrooms, and 2.5 baths
- A flex room that can be transformed into a space that suits one's needs
- Owner's suite, 3 secondary bedrooms, a full bathroom, and a laundry room located on the second floor
- Named as the 2022 HBA blue-ribbon winning model home

ABOUT M/I HOMES

Since 1976, M/I Homes has been named a national builder, operating in 17 markets across 9 states, and a trusted Michigan home builder after their expansion to Metro Detroit in 2018. Here at M/I Homes, we care. We understand that a home is more than brick and mortar and we care about the quality and design that will go into your new home. Our quality in home building does not go unnoticed. M/I Homes has been named the 2022 Bert L. Smokler Builder of the Year by the Home Builders Association of Southeastern Michigan. With our industry-leading Whole Home Building Standards, our 10-Year Transferable Structural Warranty, and our commitment to always treat customers right, M/I is honored to have turned a house into a special home for more than 140,000 families.
