HELP FOR THE HOMEFRONT

BRAG Ann Arbor
COMMUNITY SERVICE PROJECTS

Since 1970, we've worked with the Ann Arbor Public School students to build skills, build character, & build a new home every year.

In 2022, lead by Corry Contracting, dozens of BRAG members helped to rebuild a Marine's bathroom for wheelchair accessibility.

In 2023, Dexter Builders is organizing the construction of a concrete wheelchair ramp for a low-income individual in Ypsilanti.
