Kitchen & Dining Room Remodel and Deck Addition

10

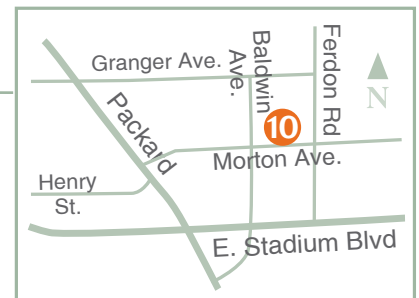

Photo by Emily Rose Imagery

1613 Morton Ave, Ann Arbor

Come see how a tiny addition can make a dramatic difference in a renovation. This Burns Park home needed a more spacious and open kitchen, but the narrow lot lines and home's style did not allow for a large addition. The 6' x 5' addition fills in an outer corner of the 1st floor, allowing the kitchen to have better flow and an island. We also removed the wall to the dining room. Finishes include chocolate-stained cherry cabinets and white cabinets, a workstation sink, hand painted Delft tiles, and English bronze and satin brass fixtures. Also, the sliding window at the sink has removeable panels, which creates a beach-like pass-thru onto the new deck just outside. Come find your favorite detail in this lovely renovation that fits so perfectly with the traditional detailing of the house.

About Rochman Design-Build

At RDB, we have a core philosophy that the remodeling journey is as important as the final destination. Our in-house designers start with inspirational designs that harmonize, enhance, and enliven a home's existing style. Our in-house carpentry staff then bring those visions to life with the utmost care, ensuring a predictable and dependable process. In addition, our owner and design director, Gary Rochman, is personally involved with every project. The best of both worlds - fresh and young ideas combined with 30 + years of experience and knowledge.

From Packard Rd. go east on Morton.
House is 1/2 block west of Ferdon Rd.
