The new townhomes at Grandview Commons offer top notch construction and attention to detail with a low-maintenance lifestyle. Live just two blocks from Main Street, restaurants, community events, parks, and award-winning local Dexter schools. The new portion of the Border to Border trail extends to Grandview Commons for quick access to miles of paved trails. Enjoy a morning on the trail or the Dexter Wellness Center or maybe a quick walk to yoga followed by a coffee downtown or a healthy smoothie at Revive. Only 5 miles to I-94 and 10 miles to downtown Ann Arbor. Easy commute to many local and regional hospitals and medical centers. Choose from two townhome designs: 2,124 to 2,734 sq. ft. ranging from 2 to 5 bedrooms. Prices range from \$499,900 to \$599,900 depending on the specific size of the unit. Exceptional included features; granite countertops, stainless steel kitchen appliances, hardwood floors, full tile in master bath, and so much more. Grandview Commons & AR Brouwer has the ability to offer customizable options to fit your exact needs. In addition to the townhomes, we offer 4 other floor plans ranging from \$298,000 to \$440,000, two being first floor master layouts.

About the Builder

A.R. Brouwer Company has been providing design/build, construction management, and generally contracting services for over 22 years. We pride ourselves on delivering quality buildings and feel it is imperative to have an exceptional working relationship with our customers, subcontractors, and employees. Our diverse project experience, collaboration, and ability to provide value engineering is what makes us unique.

As required, entry may require masks and limit access to 10 guests inside at once.

On the corner of Baker Road
and Grand Street.
