## FREE LIVE VIRTUAL TOURS - Saturday, October 16, 2021

Tours begin at: 10am | 10:30am | 11am | 11:30am | 12pm

Join Jerry Tyrrell and the Dexter Builders team for a virtual tour of this home's extensive renovation. Our tours will be live via Zoom. Pre-registration is recommended. Join anytime! Questions sent to us in the chat may be answered at the end.

We invite you to tour a warm and inviting suburban home in Dexter. The perfect upgrade for a growing family, this home features high end traditional finishes in a family friendly setting. As you come through the front door you'll pass the dining room and office to enter the great room. Wide plank hickory floors flow upstairs to the primary bed and bath with heated tile and a glass shower. You'll find space to relax and enjoy the eat in kitchen, all-season sunroom addition, downstairs play room, theater, and bar.

From the mudroom to the two-story fireplace feature and back patio you'll see the mark of our expert carpenters and deep pool of craftsmen on display. We enjoy providing the best for our community and elevating practical spaces for our clients. Join us for a tour to learn more.
