

Chestnut Home Builders: Chestnut Village

New Construction Model + Multiple Floorplans Available

8

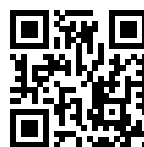

ABOUT CHESTNUT VILLAGE

Welcome to Chestnut Village! Located at the corner of Whitmore Lake & North Territorial. Extremely Easy US-23 Access & just 7 Miles to the University of Michigan, 8 Miles to University of Michigan Hospital & 10 Miles to Brighton. One and two story floor plans available with many daylight and walkout lots!

Single story floor plans range between 1,538-1,840 square feet and two story floor plans range between 2,304-2,384 square feet.

Optional finished basements and decks. Many premium standard options including Merillat cabinets, Quartz countertops, luxury vinyl plank flooring, Pre-insulated Superior Wall Foundation System, low/no maintenance exterior materials, Sherwin Williams paint, and more.

Each lot includes sod, irrigation and three trees! Fences and sheds allowed! Neighborhood amenities include a fenced dog park, walking trails, park pavilion, athletic field/open space, playground, and sidewalks throughout! Don't settle for the typical "builder grade" Take a look in person and you will see how Chestnut Home Builders raise the bar!
